Kiss

Author's Notes:
This is for Andy via the drabble meme going around on Livejournal. And thanks to Andy for looking it over :)

He wanted to kiss him. Taste those divine lips for himself.

There was only one small problem: they were being occupied by some groupie.

Yes, he could just shove her out of the way and claim what was his but he wouldn't.

Fingers tapped out a random rhythm on the table to distract him from the slick sound of lips being touched.

His mind wandered, filled with thoughts of what it was going to be like. Would it be a gentle kiss? Or would the intensity take his breath away?

Dirk snorted. "You can have her after I'm finished, Kai."
